The KA2 Small-Scale Partnership project "AntiLimbo" is run by Grem, Latvia in cooperation with MoreMosaic, Sweden and Bessonova Outdoor Immersion School, Belgium within Erasmus+ programme framework. The project aims to enhance the sense of belonging among young Ukrainian refugees in Belgium, Latvia, and Sweden, connecting them to the European Union and its cultural heritage. Through gamification and digital tools, we aim to raise awareness of European cultural history and values, fostering a deeper sense of identity with their new environment and European society. Project reference number 2024-3-LV02-KA210-YOU-000269071. Young people under 18 completed the survey with permission and under the supervision of their teachers or youth workers.
